

How to View and Submit Work

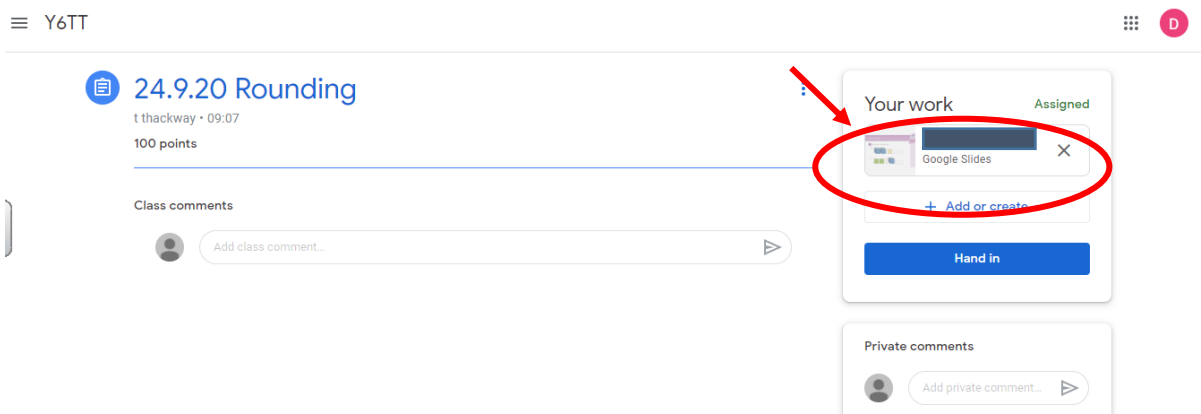

When you click on your child's class, you will see this page. Click the Classwork Tab.

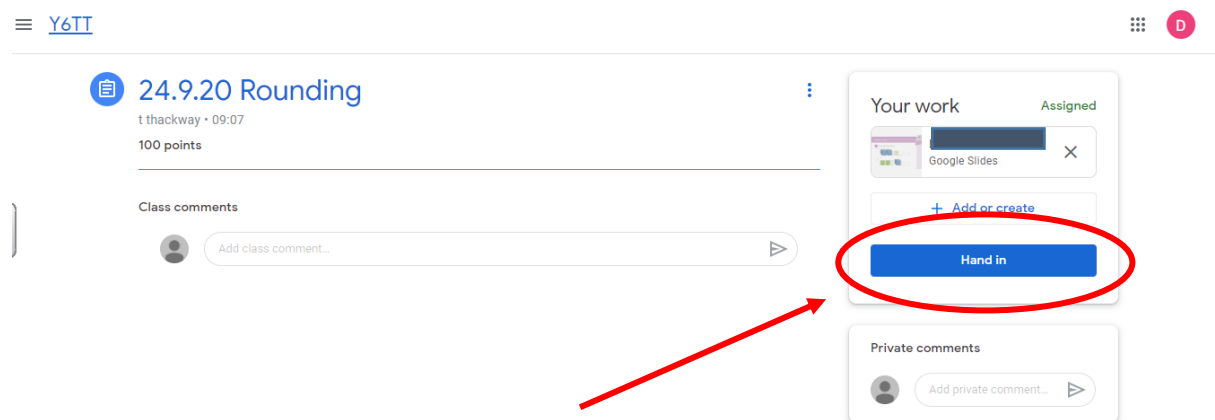

Here you will see all the work that has been set. Click on view assignment

Click on the document that has been sent and complete the work. It will open up on a different page.

When you have finished the work, close the document, It will save automatically.
Once you have closed the document you will see this screen.

Click the Hand In button.

Well done you have submitted a piece of learning to your class teacher!
